

# GS-N368-180 THREE-IN-ONE TUBE BENDER

## DESCRIPTION:

The GS-N368-180 tube bender is a versatile must have tool. It handles 3 different size tubing and can bend up to a full 180 degrees.

The all-aluminum body with rubber gripped handles makes it lightweight, durable and easy to use.

The GS-N368-180 is the right choice for HVAC, plumbing, refrigeration and automotive industries.
